

MAE 3723, System Analysis – Fall 2019

Homework Assignment #3

Due at 11:59 pm, Sunday, Sept. 8, in the Canvas Homework 3 Dropbox

In this homework assignment, you will be solving the MatLab exam given in the Spring 2018 semester. The problem statements are given in the included PDF file. You will submit your work in the given MS Word file. You will PASTE your Matlab code and Matlab plots into that MS Word file. You will upload that single Word file to the Canvas Homework 3 dropbox. We will only grade the contents of your word file, and we will ignore any Matlab files you upload.
